

## Our „Pearls of Samarkand“!

Dear customers, traders, consumers and friends of our company,

When you feel it is time to reinvigorate your body after strenuous exercise, try our delicious Pearls of Samarkand Superfood Mixtures. You can enjoy the tasty dry fruit and nut mixtures made available from a variety of places such as the Himalayan Mountains, the ancient Silk Road or Tibet.

All of our selected high quality ingredients for Pearls of Samarkand are not only organic but completely natural, that means, we produce them without any fertilizers, preservatives, sweeteners or flavour enhancers! In addition, the products are sun-dried and therefore raw Superfoods, retaining maximum goodness and flavour.

These are available in many Health Foods Shops or on-line at our web site.

---

### ORGANIC SILK ROAD MIX

This mixture brings out the best of the Silk Road – it epitomizes all that Samarkand stands for – the finest dried fruit and nuts in the entire world.

The Silk Road Mixture is an organic blend of green Khorog Raisins, dried White Mulberries, Walnuts, dried wild Apricots, dried Cherries (sour and golden), Baby Pecan nuts, dried Barberries, dried golden Berries, Bukhara Raisins, Pistachio Kernels and dried Pomegranates. It is enjoyed by all age groups and is suitable for Vegan and Vegetarian diets as do all our Superfood mixes.

### ORGANIC MAJESTIC TIBETAN MIX

Our 7 Tibetan Mixture was developed as per the ancient teachings of Tibetan monks which we have further refined and taken to a next level.

Tibet is a mystical, long lost hub of several ancient teachings, all of which aim towards self discovery and peace with oneself. This organic mixture contains green Khorog Raisins, with Mulberries, Cashews nuts, Goji berries, wild Pistachios, Barberries and brown Manuka Raisins.

### ORGANIC HIMALAYAN MIX

Our Himalayan Mixture is a favorite with mountain climbers around the world. A unique organic combination of delicious, mainly wild growing, energy providing, dried fruits and nuts such as the green Khorog Raisins, white Mulberries, Goji berries, brown Manuka Raisins, wild Mountain Apricots, wild sweet Apricot kernels, Wild Almonds, black Mulberries, dried Barberries and rounded off with raw, pleated Cacao pieces.
